For anyone who wishes to provide public comment, the housing authority has developed two (2) methods of providing public comment for a virtual meeting.

1. The first method would be to participate during the virtual meeting at <https://global.gotomeeting.com/join/574123805>
2. The second method would be for the public to submit an e-mail, either prior to or during the virtual meeting to mdennis@pinellashousing.com. For this method, all the comments received will be read at the meeting and included in the public record of the meeting. Please limit your e-mails to four hundred (400) characters or less to comply with the three (3) minute time limit for public comment. For these two (2) methods, the housing authority has created a simple set of instructions explaining how the public may submit their comments with either option. Those instructions, as well as the rules and procedure for public comment were provided in the notice to the public and published online at <https://www.pinellashousing.com/special-district-requirements/>

Please note: The public is welcome to attend and speak during the public forum.
